Always so much to see and a great chance to get some walking in!

When temps cool down, don't forget to take a walk at The Gardens on El Paseo. It's a great place to get some exercise and do some shopping while you're at it!

We will be giving you suggestions so you will get out and get that heart pumping! We have been inside for too long.

We Are Still Working Hard For Our Senior Community

The 2015 Walk to End Alzheimer's season is starting up. We are looking for sponsors for the walk, and walk teams. Please consider giving us a hand by joining our team, or starting a team of your own. If you know of a company that would like to be a sponsor, let us know. We would be happy to contact them and set them up. Last year's walk was attended by over 1000 people!

PALM SPRINGS LANES

Once again it's time for bowling night. This is a night of having fun, eating pizza and oh yeah, bowling!! Just give us a call if you would like to attend.

ACT 1 is an organization that gets together monthly, to educate our local businesses that work with seniors, on how to better serve the aging community by learning about services available to seniors. We also grant scholarships to students who, upon graduating, are going to work in the geriatric field.

So, it is a win, win! Come out and have some fun and support your community while doing so!

You do not need to be an ACT 1 member to bowl. We welcome anyone that wants to come out and have a good time.
